

IMPORTANT REMINDERS FROM OUR CAMP NURSE

- All medication must be in its original prescription bottle.
- Any medication that has been prescribed **MUST** be brought to Shrine Mont Camps, even if it has not been used recently.
- CHECK YOUR EXPIRATION DATES! No expired medication (including inhalers and Epi-pens) will be accepted.
- If your camper has a severe allergy, please try to send TWO Epi-pens with them to camp.
- Please do not send your child to camp if they have had a fever or diarrhea/vomiting within 24 hours of coming to camp. Please call camp to let us know - *we can accommodate a late arrival in this situation*.
- Send your medical forms to Maggie (mkennedy@thediocese.net) two weeks before opening day of camp. If we can review your forms before check in, it goes much quicker!

Every camper must return the 2017 Shrine Mont Camps health form AND have a signature from a physician, proving the camper has been to a doctor within 15 months of their camp session to attend camp.

*Let's make this the
healthiest summer yet!*
**Thank
you!**
